DeltaK: <max. 0.01

Grown and bottled at the family estate
Bottled filtered in January 2019
Cold pressed

Available in bottles of 50cl

Harvest and Production

Our own 'Cobrançosa' olives are harvested early in November 2018 and processed naturally by cold pressing within a few hours after harvest.

Olive oil obtained only by mechanical extraction, without any additives.

Tasting Notes

A harmonious olive oil, with a deep greenish yellow color and a green grassy aroma typical of the **Cobrançosa** variety. It shows a lightly piquant and nutty flavor at the end, due to the early harvesting of the fruit.

Track Record
